## SPRING EVENT

### Brought to you by Hillman House Committee and Hillman Cooperators

In the coming months, the Hillman House Committee will be busy planning the second cooperator event that will include three activities.

**Hillman Has Talent** gives you an opportunity to strut your stuff - sing a song, tell some jokes, read a poem, do a jig - and entertain your neighbors. The deadline to enter the talent show is **April 1, 2011**. Don't be shy; email the House Committee today!

**Hillman Has Stuff** and we want to sell it. Reserve a spot at the first annual Hillman Flea Market. Do you have some vinyl records taking up space? They are someone else's treasure. Do you

love your Bubbie but not her tchotchkes? Well maybe your neighbor has the perfect spot for them. Set up your "stall" and let the bargaining begin. Sign-up sheets will be in the Management office starting **April 1, 2011**.

**Hillman Has Candidates** and we'll want to meet them. Election time will be here before you know it. Come chat with Board members running for another term and learn about cooperators willing to "throw in their hat" for the first time. Also meet candidates for the Hillman House Committee.

**The Hillman House Committee needs your help in planning this fun event. Please contact us at [hillmanhousecommittee@gmail.com](mailto:hillmanhousecommittee@gmail.com).**

## HERTZ COMES TO HILLMAN!

The House Committee and the Board of Directors are happy to announce **Connect by Hertz** coming to our neck of the woods. *Connect by Hertz* has all the perks of having a car, without the expense or hassle of owning one. With low hourly rates, hitting the road has never been easier! The car, a 2010 Toyota Prius, is located at the Area Garage at 275 Delancey Street (corner of Columbia Street and Delancey Street).

Come see what *Connect by Hertz* has to offer. They will be in building lobbies between **5pm and 8pm** on the following dates.

## MESSAGE BOARD

If you see something that needs fixing in the **common areas**, please don't hesitate to call Maintenance. Insist on a ticket number and send it to the House Committee with a description of the problem. If you take the time to get involved, we will follow up on your complaint/request.

Wearable Collections has been a great success. In case you have missed it, there is a textile recycling bin in the F building. Clothing is collected at no cost to us and is distributed to those in need throughout the world. The response has been overwhelming; bins for each building block are coming soon. To find out more about Wearable Collections, visit [wearablecollections.com](http://wearablecollections.com).

This section of the newsletter is for you. Please contact the Hillman House Committee with your message and we will include it in the next monthly newsletter.

## FROM THE BOARDROOM

**Veterans, Seniors, and others that require social services** - please check your maintenance statement to make sure that you are receiving credits to which you are entitled. If you are not sure and need assistance, do not hesitate to check with Management. Also, in the near future a person from Social Services will be at Hillman on a weekly basis to assist people in need of benefits.

Hillman Housing had the cleanest sidewalks in the neighborhood after three major storms and a few minor snowfalls! Many thanks to our fearless porters, who braved the bad weather to shovel, plow, and spread ice melt on our sidewalks. We appreciate all your efforts!

Committee
