## Good Neighbor Notes

Enjoying the Hillman parks? Note that the parks are closed for children at sundown which is at 9:00PM these days. Please be considerate of your neighbors that might find excessive noise too much. Thanks!

## Message from the Porter

Message from the porters:  
Cooperators are doing great with recycling! Just make sure that when you bring your clean recyclables down in a plastic bag or paper bag, that you empty the bag and put the plastic in the trash or bring it to CVS to recycle and put your paper bag in the paper recycle bin. Remember, soiled paper and paper towels go in the brown organics bin using the compostable bags provided.  
Thank you!

## Composting!

FREE counter-top organics bins are available at Maintenance. Help to reduce (or eliminate) compostable organics in the garbage chute. It will keep the compactor cleaner and reduce odors emanating from the compactor room, plus it will cut down on flies and "furry friends". It's easy!
